Docket No.: 36731-000052/US

**REMARKS** 

Claims 7-19 are now present in this application, with original claims 1-6 being

cancelled without prejudice or disclaimer of the subject matter contained therein. It should

be noted that the replacement of 1-6 with claims 7-19 of the present application are non-

narrowing amendments, made solely to place the claims in proper form for U.S. practice and

not to overcome any prior art or for any other statutory considerations. For example,

amendments have been made to broaden the claims; remove reference numerals in the

claims; remove the European phrase "characterized in that"; remove multiple dependencies in

the claims; and to place claims in a more recognizable U.S. form, including the use of the

transitional phrase "comprising" as well as the phrase "wherein". Again, all amendments are

non-narrowing and have been made solely to place the claims in proper form for U.S.

practice and not to overcome any prior art or for any other statutory considerations.
